**DART TALENT & EXECUTIVE SEARCH
SHORTLISTED FOR THE WEALTHBRIEFING SWISS AWARDS 2017**

DART Talent & Executive Search AG, one of the Switzerland's leading specialist search firms, has been shortlisted for the *WealthBriefing* Swiss Awards 2017.

Showcasing 'best of breed' providers in the global private banking, wealth management and trusted advisor communities, the awards were designed to recognise companies, teams and individuals which the prestigious panel of judges deemed to have 'demonstrated innovation and excellence during 2016'.

Commenting on the firm's shortlisting, Daniel Aghdami, Managing Partner of DART said: "We are delighted to have been shortlisted for this prestigious award. It is a great honour to be recognised in the shortlist and this is testament to the hard work that the team have put in over the last 12 months."

ClearView Financial Media's Chief Executive, and Publisher of *WealthBriefing*, Stephen Harris, was first to extend his congratulations to the shortlisted firms. He said: "The firms who have been shortlisted in these awards are all worthy competitors, and I would like to extend my heartiest congratulations. These awards are judged on the basis of entrants' submissions and their response to a number of specific questions, which had to be answered focusing on the client experience, not quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards will recognise the very best operators in the private client industry, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process - such that the awards truly reflect excellence in wealth management. Our aim is to make these annual awards one of the brightest, and keenly contested highlights in the wealth management calendar."

Winners will be announced at a gala awards dinner which will be held in Geneva on 9 February 2017 at the Hotel President Wilson.
